Parent's and Sailor's Code of Conduct

The code of conduct declaration must be completed and handed in at the Registration Desk

Introduction

The Pelican Sailing Association (Inc.) has adopted this Code of Conduct for Parents and Sailors and encourages all to promote it in every way possible. The main objective for Pelican Sailing is to provide an opportunity for all participants to enjoy sailing and improve their skills while doing it.

The P.S.A. Code of Conduct has been developed to guide parents and sailors so that they both obtain maximum benefit and participation in the Pelican Sailing Association's sailing program.

Basic Principles

The basic principles, which support this code, are that:

- Sport for children is a vital part of their growing up.
- Sailors like to win, but more importantly, they want to have fun.
- Adults need to set the right example at the event, not just at home.
- Adults should be proud of a child's efforts irrespective of the result.
- Sport is important to children's self-esteem.

Parent's Code of Conduct

1. Remember that the children sail for their enjoyment, not yours. The sailors are contesting for fun.
2. Encourage children to participate - do not force participation upon them.
3. Focus on the child's efforts and self-esteem rather than whether they win or lose.
4. Encourage children to participate according to the rules.
5. Never ridicule or yell at a child for making a mistake or for losing a race.
6. Remember that children learn best by example- applaud the efforts of all.
7. Support all efforts to remove verbal and physical abuse from sailing activities.
8. Show appreciation for volunteers and officials, without whom the kids could not participate.
9. Respect the decisions of officials; the sailors will then learn to do the same.
10. Assist sailors to understand the responsibilities and implications of their freedom to choose between fair and unfair sailing.

Sailors Code of Conduct

- You are encouraged to sail by the rules. The more you learn the better off you will be.
- Never argue with an official. If you disagree with an official ruling there are processes that exist.
- Be a good sport. Acknowledge all good sailing and be positive in all situations.
- Do not interfere with, bully or take unfair advantage of another sailor.
- Cooperate with all volunteers and officials. Without them the sailing would not happen.
- Sail for fun and try your best. The rewards for your effort will come.
- Be prepared to take responsibility for your actions.

We the undersigned have read the Codes of Conduct and have a clear understanding of the need to do our best to be socially and morally positive
